TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Salem, in the
County of Rockingham, in said State, qualified
to vote in town affairs:

You are hereby notified to meet at the town house,
in said town, on Tuesday, the ninth day of March
next, at twelve (12.00) of the clock noon, to act
upon the following subjects:

Art. 1. To choose all necessary town officers for
the ensuing year.

Art. 2. To raise such sums of money as may be
necessary to defray town charges for the ensuing
year and make appropriations for the same.

Art. 3. To see if the town will vote to raise any
more money for the repairs of highways than the
law requires.

Art. 4. To hear the reports of agents, auditors,
committees or officers heretofore chosen, and pass
any vote relating thereto.

Art. 5. To see if the town will vote to authorize
the town treasurer to hire, with the approval of the
selectmen, such sums of money as may be needed
for general purposes in anticipation of taxes.

Art. 6. To see what action the town will take relative to lighting the streets, and raise money for the same.

Art. 7. To see if the town will vote to raise a sum of money not to exceed three thousand dollars (\$3,000), for the purpose of providing police officers for the ensuing year.

Art. 8. To see if the town will vote to raise a sum of money not to exceed two thousand dollars (\$2,000), for the maintenance of the fire department for the ensuing year.

Art. 9. To see if the town will vote to raise the sum of three thousand dollars (\$3,000), or any part thereof, for the removal of snow from the highways and general highway expense.

Art. 10. To see if the town will vote to raise the sum of seven hundred eighty-two dollars and ninety-five cents (\$782.95), and apply for aid from the state for class 5 roads.

Art. 11. By request of library trustees. To see what sum of money the town will vote to raise above the amount required by law, for the support of the Salem Free Public Library for the year 1943.

Art. 12. By request of Chester T. Woodbury. To see if the town will vote to raise the sum of one hundred dollars (\$100), or any part thereof, to maintain and improve the Town Common and the Public Square near Pine Grove Cemetery.

Art. 13. By request of Ernest W. Young Post. To see if the town will vote to raise the sum of three

hundred dollars (\$300), or any part thereof, for the use of Ernest W. Young Post, No. 63, American Legion, to be expended in the observance of Memorial Day in the year 1943.

Art. 14. By request of Habel T. Fary and others. To see if the town will vote to repair with gravel and tar the road leading from Lawrence Road near the residence of Arthur Dyke, past the residence of Theron Butler and continue up Wheeler Avenue and raise money for the same.

Art. 15. By request of Richard Fallows and others. To see if the town will vote to extend the gravel and tar road on Granite Avenue and raise money for the same.

Art. 16. By request of Sarkis Donigian and others. To see if the town will vote to raise the sum of three thousand dollars (\$3,000), to continue the gravel and tar road from the Elmer Bailey place on Pelham Road to the No. 7 schoolhouse.

Art. 17. By request of George A. Terpstien and others. To see if the town will authorize the employment of two permanent firemen and appropriate the sum of three thousand dollars (\$3,000), per year for their salaries.

Art. 18. By request of Howard F. Turner and others. To request the Selectmen take such action as necessary to compel the Boston and Maine Railroad to install automatic signals on the two grade crossings known as Cluff's Crossing and Kelley's Crossing. This to be completed as soon as possible.

Art. 19. By request of the Salem Woman's Club. To see if the town will appropriate the sum

of fifty dollars (\$50), or any part thereof, for the use of humane work in Salem.

Art. 20. By request of Charles Borchers. To see if the town will vote to instruct its selectmen to have published in all future town reports, the essential features of the report of the Division of Municipal Accounting of the State Tax Commission as provided in section 31, chapter 211 laws of 1939. This to include the letter of transmittal and schedules dealing with the balance sheet, accounts payable, appropriations and expenditures, estimated and actual revenue, tax collections, and any other schedules that do not coincide with the printed report covering the year for which the audit is made and appropriate a sum not in excess of seventy-five dollars (\$75), to defray the expenses of same.

Art. 21. By request of Charles H. Borchers. To see if the town will vote to adopt the provisions of the Municipal Budget Act, and determine the size of the committee and the manner in which they shall be appointed or elected.

Art. 22. By request of Lillian Hall. To see if the town will vote to accept the sum of one hundred dollars (\$100), from Lillian Hall as a perpetual fund, the interest to be expended in the care of the Silas Hall lot in Pine Grove Cemetery.

Art. 23. By request of Ada M. Woodbury. To see if the town will vote to accept the sum of two hundred dollars (\$200), from Ada M. Woodbury as a perpetual fund, the interest to be expended in the care of the Charles B. Woodbury lot in Pine Grove Cemetery.

Art. 24. By request of George R. Clay. To see if the town will vote to accept the sum of one hundred dollars (\$100) from George R. Clay as a perpetual fund, the interest to be expended in the care of the George R. Clay lot in Pine Grove Cemetery.

Art. 25. By request of Emma P. Lundberg Estate. To see if the town will vote to accept the sum of one hundred dollars (\$100) from the Emma P. Lundberg Estate as a perpetual fund, the interest to be expended in the care of the Frank E. and Emma P. Lundberg lot in Pine Grove Cemetery.

Art. 26. By request of William Townend. To see if the town will vote to accept one hundred dollars (\$100) from William Townend as a perpetual fund, the interest to be expended in the care of the William Townend lot in Pine Grove cemetery.

Art. 27. By request of Florence M. Austin. To see if the town will vote to accept the sum of one hundred dollars (\$100) from Florence M. Austin as a perpetual fund, the interest to be expended in the care of the Emma C. Rowell lot in Pine Grove Cemetery.

Art. 28. By request of Jessie Soule. To see if the town will vote to accept the sum of one hundred dollars (\$100) from Jessie Soule as a perpetual fund, the interest to be expended in the care of the Lewis F. Soule lot in Pine Grove Cemetery.

Art. 29. By request of Mrs. John Dunkley. To see if the town will vote to accept the sum of one hundred dollars (\$100) from Mrs. John Dunkley as a perpetual fund, the interest to be expended in the care of the John Dunkley lot in Pine Grove Cemetery.

Art. 30. By request of Arthur G. Kelley. To see if the town will vote to accept the sum of one hundred dollars (\$100) from Arthur G. Kelley as a perpetual fund, the interest to be expended in the care of the Arthur G. Kelley lot in Pine Grove Cemetery.

Art. 31. By request of Wallace W. Cole, Estate. To see whether the town will vote to accept a deed from the residuary devisees under the will of Wallace W. Cole of the Pilgrim Hall property, so called, located on Main street and Broadway, Salem, N. H., upon the express condition and essential part consideration that the town shall, within six months after the receipt of the deed to said property, remove the building thereon and grade and maintain said lot as an open space.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and forty-three.

WILLIAM BARRON,
W. EARLE MAGOON,
WALTER F. HAIGH,

Selectmen of Salem.

A true copy. Attest:

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, N. H.

November 20, 1942

Board of Selectmen
Salem, New Hampshire

Gentlemen—Submitted herewith is the report of an audit and examination of the accounts of the Town of Salem which has been made by the Division of Municipal Accounting of the State Tax Commission. Exhibits and schedules as hereafter listed are included as part of this report.

The audit covers the period from September 17, 1941, date of the previous audit by this Division, to September 17, 1942. The exhibits and schedules have been prepared, however, to present the financial activity of the town and its various departments for the fiscal year ended January 31, 1942 and the period from February 1st, 1942 to September 17, 1942.

ACCOUNTS OF SELECTMEN AND TREASURER

Vouchers issued by the selectmen during the period under review were examined as were also the supporting invoices and payrolls. Comparison was made between the vouchers and the treasurer's checks and these were found to be in agreement as to names and amounts. The receipts of the treasurer were checked by source, insofar as it was possible to do so, and totals of receipts and expenditures were verified. The cash book balances as of January 31, 1942, and September 10, 1942, were in agreement with the reconciled bank balances of like dates.

It was noted that the classification of expenditures in some instances differed from the uniform classification of accounts prescribed by this Division. Reclassification of certain accounts was made and the results are reflected in the Summaries of expenditures included in Schedules A-1 and B-1.

It is recommended that payments made to town officials or other town employees, other than for fixed salaries, be supported by itemized statements indicating dates, time, rates and amounts. Payments to officials for reimbursement of expenses incurred incident to carrying on town business should likewise be supported by detailed statements indicating dates, nature of expense, mileage travelled, etc.

TAX COLLECTOR

The accounts of the tax collector were examined and statements showing the activity therein are included in Schedules as listed at the beginning of this report. Unredeemed taxes from the tax sales on account of the levies of 1939, 1940 and 1941, as reported by the collector, were verified as such by notices sent to the delinquent taxpayers.

TOWN CLERK

The accounts of the town clerk, including the issuance of motor vehicle permits and dog licenses, were examined. All funds received by the Clerk from these sources have been remitted to the treasurer with the exception of September collections, amounting to \$252.84, which was verified as cash on hand.

TRUST FUNDS

The savings bank books and securities representing the invested principal and unexpended income

of the various trust funds were examined. All funds, as indicated in the trust fund record book, were accounted for. Proper accounting for the expenditure of income was likewise made. Schedules showing trust fund principal and income and summaries of activity in these accounts are included.

WATER DEPARTMENT

The accounts of the collector and treasurer of the water department were examined. The treasurer's cancelled checks were compared with the supporting invoices and payrolls, approved by the commissioners, and found to be in agreement therewith. The treasurer's cash book balances as of January 31, 1942 and September 23, 1942, were in agreement with the reconciled bank balances of corresponding dates.

MUNICIPAL COURT

An examination was made of the accounts of the municipal court. Fines and costs received by the court during the period of audit were compared with the docket records. Expenditures made by the court were supported by cancelled checks and receipts. The cash on hand and in bank was verified.

PINE GROVE CEMETERY

The accounts of the Trustees of Pine Grove Cemetery were examined and the record of receipts and expenditures carefully noted. Verification was made of the cash on hand and in bank.

PUBLIC LIBRARY

Schedules A-8 and B-8 include summaries of the library treasurer's receipts and expenditures for the fiscal year ended January 31, 1942, and the current

year to October 5, 1942. Expenditures were properly supported and the balance on hand on the date of audit was in agreement with the reconciled bank balance.

In spite of the reduction in assets and increase in liabilities, the total assets of \$37,942.05, exceeded by almost \$5,000 the current liabilities of \$32,984.83, thereby indicating a sound current financial position, inasmuch as the balance of liabilities are in the form of long term notes the maturities of which are met by annual appropriations.

Under the provisions of Section 31, Chapter 211, Laws of 1939, it is required that this report or a summary of its essential features be published in the next annual report of the Town. The published section should include this letter of transmittal and essential Schedules.

The thanks of this division is extended to the town officers of Salem for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting,
State Tax Commission.

Lawton B. Chandler,
Herbert E. Hunt,
Roger S. Morrill,
Accountants.

L. WALLACE HALL,

Justice.

REPORT OF THE SALEM FIRE DEPARTMENT

The Fire Department has passed one of its quietest years. Eighty-five calls have been answered which was forty less calls than last year. There were 76 bell alarms, 8 still alarms and one drowning accident. The company was called out of town four times. The total fire loss amounted to \$8,456.38. Two members of the company have gone into the service of the country. Loren Ebert and Richard Kimball have joined the army and according to the last reports are still in the country and doing finely. They have been greatly missed by their companions as the company is now down to fourteen regular men. The usual penny social and annual dance were held and a large sum has been raised. This money goes for the annual Christmas tree for the children of Salem. This affair was held as usual and was largely attended. The entire company wishes to thank anyone who helped in any way to make these affairs successful.

Respectfully submitted,

ROBERT V. EBERT,
Chief.

REPORT OF BOARD OF HEALTH

To the Board of Selectmen:

The following is the report of your Health Officer:

Complaints investigated	47
Complaints investigated in cooperation with the State Board of Health	7
Scarlet fever cases reported	19
Measles reported	11
Chicken pox reported	31
Barber shop inspections	4
Restaurant inspections	4
Water samples submitted to State Labor- atory	32
Deaths registered in Salem	27
Permits for burial in Salem, died else- where	33
Local deaths buried elsewhere	20

The department regretfully again calls to the attention of the citizens of the town the deplorable condition of the so-called cemetery dump.

The cemetery trustees have gone to considerable expense and given untiring effort to correct this condition but without complete cooperation on the part of our citizens this is impossible.

Your Board of Health respectfully request this cooperation.

Respectfully submitted,

LEONARD B. PEEVER, Reg. Ph.

Health Officer.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Salem qualified to vote in district affairs:

You are hereby notified to meet at the Woodbury High School in said district on the 13th day of March 1943, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to appropriate a sum of fifty dollars (\$50.00) for a state audit of the School District's books.

10. To see if the town will vote to raise the sum of two thousand four hundred and ten dollars (\$2,410.00) to be paid as a bonus to the employees of the Salem School District for the fiscal year ending June 30, 1943.

11. To see if the town will vote to raise a sum sufficient to provide a one room addition to the present No. 1 School.

Given under our hands at said Salem this thirteenth day of February, 1943.

HOWARD S. WILLIS,
HOWARD C. SMITH,
CLARENCE W. MERRILL,

School Board.

A true copy of Warrant—Attest:

HOWARD S. WILLIS,
HOWARD C. SMITH,
CLARENCE W. MERRILL,

School Board.

RICHARD K. BODWELL,

District Treasurer.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION .

Concord, New Hampshire

October 3, 1942.

The School Board, Salem School District, Salem,
New Hampshire:

Gentlemen—In accordance with the request of the District an audit and examination of the accounts for the fiscal year ended June 30, 1942, has been made by this Division, a report of which is submitted herewith. Schedules as hereafter listed are included as part of this report.

A comparative Balance Sheet for the fiscal years ended June 30, 1941, and June 30, 1942, presented in Schedule A, indicates a reduction in Net Debt during the fiscal year of \$4,580.67.

The long term indebtedness of the School District, as of June 30, 1942, is shown in Schedule B. Also included therein are the annual requirements for principal and interest payments on bonds and notes.

A summary of Receipts and Expenditures, made up in accordance with the uniform classification of accounts is contained in Schedule C. The treasurer's cash book balance as of June 30, 1942, \$3,074.71, was in agreement with the reconciled bank balance of like date. (Schedule C-1)

Comparative statements of Appropriations and Expenditures and Estimated and Actual Revenues

for the fiscal year, indicate a Net Unexpended Balance of Appropriations of \$1,354.34, a Revenue Surplus of \$196.33, and a resultant Net Budget Surplus of \$1,550.67. (Schedules D and E)

Very truly yours,

HAROLD G. FOWLER, Director
Division of Municipal Accounting,
State Tax Commission.

Lawton B. Chandler,
Herbert E. Hunt,
Roger S. Morrill,
Accountants.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

October 3, 1942

Certificate of Audit

We hereby certify that the accounts and records of the Salem School District have been examined and audited for the fiscal year ended June 30, 1942, and found to be correctly cast and properly vouched.

Submitted herewith is the report in the form of Schedules which, to the best of our knowledge and belief, reflect the financial condition of the Salem School District as of June 30, 1942, and the results of the financial transactions of the District during the period under review.

Respectfully submitted,

HAROLD G. FOWLER, Director,

Division of Municipal Accounting,
State Tax Commission.

Lawton B. Chandler,
Herbert E. Hunt,
Roger S. Morrill,

Accountants.

SCHOOL BOARD'S ESTIMATE FOR 1943-1944

†\$3.50 per \$1,000 of taxable inventory is minimum required by law in addition to per capita tax and salaries of district officers.

*\$5 per \$1,000 of equalized valuation must be raised for elementary schools to qualify for state aid.

REPORT OF THE SCHOOL BOARD

To the Citizens of Salem :

The School Board is pleased to submit its annual report to the citizens of the town at this time. While in past years there has been a considerable amount of repairs to be reported, there was not too much to be done this year.

The schools as a whole were found to be in good condition so that in most cases minor repairs were made, together with the usual cleaning. However, at No. 8 School a bad condition of the back roof and in the rear wall apparently caused by termites necessitated considerable repairing here. The outside of No. 6 School was given a coat of paint and the rain ducts repaired. The inside of No. 5 School was cleaned and the walls and ceiling painted.

Due to the war emergency, the oil burner at No. 9 School has been replaced by the grates and coal is now being used as a heating fuel. We shall do the same at No. 1 School in the near future. Fortunately, in both cases, the grates had been carefully cared for so that the expense and time employed to make these changes is small.

Most of the problems which occupied the attention of the board during the past year have been those covered for the most part in the reports of Mr. Nelson and Mr. Rourke and need no further repetition in this report. The year ahead will be difficult but we hope we may be able to maintain at least the same standards as we have in the past in all respects. We are very grateful for the continued support and interest which has been displayed by the people of

Salem in the school system and confidently trust that the same support will be forthcoming during the trying days which are ahead.

Respectfully submitted,

HOWARD S. WILLIS,
HOWARD C. SMITH,
CLARENCE W. MERRILL,

School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Salem :

I take pleasure in presenting my annual report as Superintendent of schools.

The Statistical Report is for the school year ending June 30, 1942. This report is followed by the reports of the Headmaster of the High School, the School Nurse, and the Music Supervisor.

The following changes in the teaching staff have taken place since my last report: Mr. Clifton Smith resigned his position in the High School to become a member of the State Police Force, and the vacancy was filled by the election of Miss Edna York. Miss Anna Tighe and Miss Mildred Kane, teachers at the No. 8 School, resigned their respective positions to be married. Miss Mildred Myers, teacher at the North Salem School was transferred to the Grammar room at No. 8, and Miss Alice Lynch was transferred from the No. 7 School to the Primary room at No. 8. The vacancies caused by these transfers were filled as follows: Miss Elizabeth Holton was appointed teacher at the No. 7 School, and Miss Maybelle Leach was elected to the position at No. 4. The Office of Defense Transportation regulations would not permit the continuation of transportation of children to the No. 9 School, and consequently it became necessary to close one room at this school.

Mr. Ralph Meacham and Mr. John Peterson entered the Armed Forces about the middle of the present year. Miss Rachel Hartford also left about the same time. Miss Elizabeth Garrity has been appointed to take Mr. Peterson's classes for the remainder of the year, and Mrs. Shirley Hatch suc-

ceeds Miss Hartford. We have been unable to find a successor to Mr. Meacham. Mr. Rourke has taken on additional teaching work, and teaches the classes in Mathematics and Chemistry. Mrs. Harriett Quealy is teaching a part of each day so that all classes may be cared for. Miss Holton, because of transportation difficulties, gave up her work at No. 7 School, and Mrs. Donna Amaral has taken her place for the balance of the year.

Miss A. Frances Carroll and Miss Madeliene Kean were enrolled in the Plymouth Teachers' College Summer School; Miss Madeleine Goebel took a Boston University Extension Course; Miss Rachel Hartford attended Pennsylvania State College Summer School, and Miss Mildred Myers attended the University of New Hampshire during the summer. The efforts of these teachers in furthering their studies during the summer, are very commendable.

The enrollment for the year covered by this report was seven hundred and thirty, three less than during the previous year. The school attendance averaged 94.56 per cent of the membership, as compared with the state average of 94.31 per cent.

Fifty-four boys and girls completed the work of the eighth grade last June. All but two of these have entered a high school this year. The medal awarded each year by the Sons of the American Revolution to the eighth grade pupil who has best exemplified the principles of good citizenship was presented to Marion Medwid. The Scholarship Medals given by the Salem Board of Trade to eighth grade students for excellence in scholarship, were awarded as follows:

Gold Medal
Silver Medal
Bronze Medal

Marion Medwid
Roger Johnson
Joseph Casey

The report presented by Mr. Rourke, the Headmaster, contains detailed information relative to Woodbury High School.

Basket ball for both boys and girls has been continued during Mr. Peterson's absence. Mr. Rourke has taken charge of the practice periods after school. I feel we are fortunate in being able to continue our classes in mathematics and chemistry. A number of schools in our state have had to discontinue this valuable instruction because of the shortages of teachers in this field.

Word came recently of the death of Miss Helen Thomas—School Nurse—on leave of absence because of illness. Miss Thomas gave many years of untiring service to the physical welfare of the children here. During the present school year the work of school nurse is being done by Mrs. Jessie Soule, R. N., of Salem, N. H., in an enthusiastic and efficient manner. We hope to hold a dental clinic this spring if a dentist can be secured for the work.

There is good progress in the work of all our schools. The fundamentals are being adequately stressed. As an aid in directing instruction in the fundamentals, standardized tests are given each year. Mental tests are also given all pupils during the fourth and ninth year. Thus we are able to determine the achievement of both the class and the individual member as compared with a national norm. These tests are valuable in helping to determine points of weaknesses in each pupil's development and this helps the teacher to furnish drill where it is most needed.

Special reports from the various elementary buildings are here included.

The activities at the No. 1 School toward the war effort have been varied and highly successful. Nearly all the children buy stamps weekly, and from September of this year to January they have purchased stamps amounting to \$407.20. In collecting scrap, much enthusiasm was shown by the children. From this collection they have already sold 8,500 pounds of iron, 62 pounds of rags, 20 tires, as well as a small lot of aluminum and brass. They have earned \$29.18, and have more to sell. This money will be used to purchase something beneficial to the entire group. Over seven hundred keys of various sizes were collected in the key box. In the primary room of this school, stress has been put on proper foods to carry in lunch boxes. Each child now brings his lunch in a regular lunch box, eliminating paper bags. This enables each one to safely carry milk or cocoa. Many children subscribe to the "Weekly Reader," which has proved worth while in the improvement of reading. In the study of preparing foods for winter the third grade pupils dried apples, which were later made into applesauce and served during lunch period. The extensive use of the Library, which is conveniently near this school; the use of radio programs; and a detailed study of famous composers and their works, are some of the special activities undertaken by this school. In the upper grade room letters have been exchanged with the children in other schools, and pleasure and interest have been derived from "Interviewing Parents," a project that teaches the child how to obtain information and to share his findings without hesitancy or fear.

The hot lunch project at the No. 4 School has proved of great value, not only to the children in that they have hot nourishing food at noon-time,

but also in the training they get in preparing the lunches. Sometimes donations are brought from the homes, and on other days, soup and other foods are purchased at the store and served at the school. These lunches are presented at a cost of ten cents per week to the pupils. The salvage work of this school is commendable. These pupils have collected 635 pounds of rubber, and one and one-half tons of scrap metal. The sale of defense stamps has been carried on and a total of \$155.00 has been sold since September.

Competitive teams at the No. 5 School engage in games each recess period for a week, and then weekly winners are announced. This activity furthers good sportsmanship. The children bring soup or some beverage to school to be heated for lunch in addition to the cocoa which is made for everyone. Bird feeding stations have been built on the school grounds, and the children bring in suet to replenish these. At this school the children try to earn money to make their purchases of defense stamps. Odd jobs at home, taking care of smaller children, and working for relatives or neighbors, are a few of the ways in which these children are contributing to the war effort.

At the Number Six School this year special activities have been varied and interesting. In grade one booklets have been used as an aid to good penmanship. The children take great interest in the home made reading charts. These charts have proved their worth in results derived. Easel work in drawing in grade two has developed imagination, and formed habits of neatness, and given a great deal of pleasure to the group. Individual participation, and initiative have been furthered through a class

newspaper in the second and third grade room. Letters have been exchanged with the children at No. 1 and No. 7 Schools. Radio programs contribute greatly to the development of an understanding of the world about us, and create a desire for extensive reading in the upper grade room of this school. Bulletin boards planned by the children are filled with individual contributions each week. The sale of Defense Stamps at this school has taught self-sacrifice and patriotism. From April, 1942, to January, 1943, the total amount of stamps purchased was \$514.00. Approximately two tons of scrap has been collected. Mr. William Brown, chairman of the Salem Salvage Drive deserves recognition for his time and the use of his truck in collecting some of the heavier articles. During recess at this school there is organized play, with each teacher on the playground supervising her group. The children have become impressed with the rules of good sportsmanship, and the need for caution with each other. Safety on the playground is stressed.

The No. 7 School has specialized in the development of handwork by each pupil, in addition to the regular work of the day. Some of the articles made by these children have been scrapbooks, stuffed toys and clothes for dolls. These projects have held the interest of all who take part, as well as developing initiative and imagination. This group has collected a considerable amount of scrap material, and has purchased over \$22.00 worth of Defense Stamps since September.

The children at the No. 8 School have purchased \$367.10 worth of Defense Stamps. A salvage campaign contributed 2,125 pounds of scrap metal to the war effort. Letter writing has become an interest-

ing and enthusiastic project, the result of a current mailing list. Grades one to eight correspond with adjacent schools, as well as schools out of state. Consideration for others, so necessary to our democratic way of life, is encouraged through the preparation of Sunshine Baskets for the sick and aged. The organization of a model airplane club has proved very interesting. The culmination of this club is an exhibit of various models and their respective flying ability.

At the No. 9 School a considerable amount of scrap has been collected, and \$107.20 worth of stamps have been purchased by the children. At this school special emphasis has been placed on handwork, and many interesting articles have been constructed. These include plant sticks, memo pads, wooden napkin holders, plaster animals, and daily grocery reminders. Projects such as these develop manual skill, and hold a definite interest for the children. The construction of health posters not only taught use of crayons, paints, etc., but stressed the value of good health, as well.

The World War that is being waged is bringing great changes in our way of living. Education is being affected. The elementary schools have not been affected to any great extent to date. The High Schools, due to loss of teaching personnel and older pupils, to the War Service, have been affected to a greater extent. To date there has been but little difficulty in getting supplies, but the supply of teachers is such that the loss of a good teacher can hardly be replaced. It takes four years to train a teacher, and the enrollment at the Institutions preparing teachers is very greatly reduced. Every effort, financial and otherwise, should be made to retain sat-

isfactory teachers. Salary adjustments should be made to meet, as far as possible, the conditions and practices of the times.

The work of the teacher in the public school has increased materially in recent years due to changes in ways of living. The school finds it necessary to furnish training in an increasing number of directions. The teachers have been performing a real service in conducting the registration in the rationing of sugar, gasoline, and fuel oil, and directing the scrap collection and the sale of war savings stamps. It has meant extra work, but this has been done cheerfully in compliance with the requests of our government.

I would like to express my gratitude for the co-operation of the parents and citizens, as well as the special assistance given by local organizations.

In closing I wish to express appreciation of the courtesy and assistance given me by the School Board and the teaching force.

Respectfully submitted,

William J. Nelson,
Supertendent of Schools.

STATISTICS FOR THE SCHOOL YEAR ENDING JUNE 30, 1942

REPORT OF THE HEADMASTER

To Mr. William J. Nelson, Superintendent of Schools:

I hereby submit my annual report as headmaster of Woodbury High School.

School opened Wednesday, September 9, 1942, for its 18th year with a total enrollment of 263 pupils. Since then the enrollment has increased to 269. Following is a table of enrollment by classes:

Grade	Total Enrollment	Discharges	Present Enrollment
7	43	4	39
8	51	1	50
9	64	9	55
10	41	10	31
11	35	3	32
12	35	2	35

There have been 10 tuition pupils, all from Windham.

Of the graduates of 1942:

6 entered college (not including teachers' college)

2 entered teachers' college.

4 entered business school.

2 entered nurses' training schools.

8 entered the armed services.

8 expect to enter the armed services very soon.

The rest, for the most part, are taking an active part in our daily economic life.

The influence of the times, which has manifested itself in the post high school retaining of the recent graduates, has also had definite effects upon the school in operation.

There have been some changes in the faculty during the first half of the school year and this has necessitated both adjustments and postponements in our plans. All of the activities which I mentioned in my report last year have been continued and improved upon wherever it has been possible. To these have been added certain other activities which were not included previously. An aeronautics club, meeting for an hour two times a week, was started soon after school opened and was continued as long as was possible. At the present time we are making plans for participation in the Physical Fitness Program which is being sponsored by the State Board of Education, and which should be added as a permanent part of our school program.

Because of the adjustments which we have been forced to make, some activities have had to be curtailed. Group guidance in the high school has been greatly limited and, since the time for individual guidance has been shortened, it means that the pupils must face their problems with a minimum of counseling, a situation which should not exist for any greater length of time than is absolutely necessary. Inter-scholastic athletic competition has also been curtailed but we have managed to participate in it to some extent and hope to be able to continue.

This year a military minstrel show was substituted for the annual operetta. It met with unusual success and was a credit to all those who either aided or participated in its presentation. The proceeds are to be used to establish a fund to purchase a motion picture sound projector, which will aid materially in the training of the pupils as a large number of films are available for the classroom.

Hot lunches are again being served and, as in the past, are well patronized. The home economics de-

partment is working under a handicap in preparing these in the days of food rationing and shortages but to date has been able to serve a generous portion each day with no increase in price. Much credit belongs to the department for its accomplishment in this work. Defense stamps also are sold every day at noon time.

Some club work has been temporarily postponed but will probably be resumed in the immediate future. We also plan to continue most of those activities which were found worthwhile last spring.

At this time it seems only right to restress two great needs which we have at the high school. The first is a definite one for a small training course so that the boys may get training in that field to which they are adapted and thus be encouraged to continue in high school until graduation. The second is an attitude on the part of the pupils that the daily school work has much of value to them so that they will be determined not to miss a day of school work unless they are too ill to do it justice or some real family emergency necessitates their absence.

Once again I urge the parents to visit the school at work, to have a talk with the teachers and to build up a common understanding. Do not wait until something has gone wrong, as much trouble which may arise can be avoided, thus averting a situation which may become serious.

To the teachers and pupils, I extend my appreciation for their unlimited support. To you, the school board and the citizens of Salem, in return for the cooperation given to me, I say, "Thank you."

Respectfully submitted,

EUGENE ROURKE.

REPORT OF SUPERVISOR OF MUSIC

To Mr. William J. Nelson, Superintendent of Schools:

I have the honor to submit my annual report as Supervisor of Music in the Salem Schools.

"Song Parade" a new book from the "World of Music Series" was added at the beginning of the school year for grades seven and eight. The "World of Music" is a new and attractive course, which deals with music problems through charming song material.

Music appreciation is the ultimate aim of our music course. The girls and boys are taught to sing tune-fully, read music, and listen intelligently, in order that they may appreciate the works of the masters.

A "Military Minstrel Show," in place of the annual operetta was presented by the students of Woodbury High School on December 3rd and 4th. A majority of the upper classes took part and there was a great amount of enthusiasm in the undertaking.

The end of the year finds me, as always, grateful to the teachers, on whose assistance I rely to such a great extent. For your cooperation and that of the school board, I wish to express my appreciation and thanks.

Respectfully submitted,

EVA W. THOMPSON.

ANNUAL REPORT OF SCHOOL NURSE 1941-1942
